

Roaming Pet(s) Regulations

Members are responsible for the proper control and supervision of their pet(s), and the pet(s) of their Guests and Tenants at all times. Dogs roaming freely within Beaver Lakes Estates is not permitted. This can be a danger to people and wildlife and is in direct violation of BLE Rules & Regulations, Paragraph 13.

Therefore, the Board has implemented the following policy as it relates to dogs left to roam in BLE unattended. Any Member/Tenant found to have a dog(s) roaming freely without supervision and under control will be issued **ONE** warning letter or a phone call from a Board member. Thereafter, if the dog(s) continues to be allowed to roam freely, a fine structure will be imposed as follows:

1st offense after warning letter and/or phone call	\$ 50/dog
2nd offense after warning letter and/or phone call	\$100/dog
3rd offense after warning letter and/or phone call	\$150/dog
